

The "3P" Key Elements of PERMAGARD

PERMANENT

- Seals and locks in the paint finish and clear coat
- Fully bonds to all painted surfaces
- Eliminates the need to cut and polish
- Easy to maintain

PERFORMANCE

- Improves performance by reducing drag
- Dramatically reduces maintenance time & cost
- Outstanding long term wet-look effect
- Saves water during washes
- No soap required to wash treated cars

PROTECTION

- Protects against fading and oxidization
- Maintains asset value
- Does not contain wax or silicates
- Will not create repaint problems
- ISO 9001 (Quality)

It's time to shine and see yourself in your brand!

PERMAGARD

AUTOMOTIVE

FROM YOUR HANGAR TO YOUR GARAGE

Aerospace-Grade Paint Protection
Engineered for the Automotive World

WHY CHOOSE PERMAGARD?

ULTRA GLOSS

Mirror-like finish on top of your factory paint.

UV-INHIBITING TECHNOLOGY

Fully prevents paint and PPF from fading and oxidizing.

REDUCED MAINTENANCE

Self-cleaning properties which repel dirt and grime, making your vehicle easier to wash with no need to ever wax or polish.

STAIN RESISTANCE

PERMAGARD acts as a durable sacrificial layer that fully bonds to your vehicle's paint and is the first line of defense against environmental attacks such as bird droppings, tree sap, and industrial fallout.

PAINT COMPATIBLE

PERMAGARD coatings are 100% paint compatible with zero adverse effect in the event of repainting panels.

PERMAGARD, THE COMPANY.

PERMAGARD is an industry leader that specializes in the manufacturing and distribution of high-performance, aviation-grade, OEM-approved protective coating solutions that have been engineered to perform in the toughest of environments worldwide.

PERMAGARD is an ISO 9001 certified company and PERMAGARD products are proudly handmade and manufactured in Miami, Florida, USA with full traceability and zero defects.
